

## AFFTA WEBSITE SPONSORSHIP APPLICATION FORM

The American Fly Fishing Trade Association is proud to announce that our new and improved website, [www.AFFTA.com](http://www.AFFTA.com) is ready to be explored by you, fly fishing industry members, and fly fishing enthusiasts. The redesign and upgrading of this website was performed by Circumerro Media of Jackson Hole, Wyoming. AFFTA wishes to thank Circumerro <http://www.circumerro.com> for providing additional website design work free-of-charge after the initial website redesign contract requirements had been satisfied.

As you can see, our new website is very robust and interactive. This website is packed full of information pertaining to fly fishing, conservation and our industry partners. We'll be adding streaming video and a blog site in the future.

This new website has been tested for the past 90 days and all of the glitches have been eliminated. If you would like to increase your company's exposure to the fly fishing community, our website is the prime opportunity. For a donation of \$75/month, or \$750/year, AFFTA is now ready to include your electronic banner and link to our site.

To guarantee adequate exposure to our industry partners' banners and links, each banner will appear randomly on our homepage and secondary pages. Banners will change when pages are refreshed or changed.
